Report

Issue:

Discussion on the recent Economic Ecosystem report to City Council.

Staff Contact:

Mike Reid, City of Olympia, Economic Development Director, Community Planning & Development, 360.753.8591.

Presenter(s):

Mike Reid, City of Olympia.

Background and Analysis:

On January 11 staff presented recent data on Olympia's Economic Ecosystem to City Council. That presentation will be shared with the Home Fund Advisory and may also mention other topics relevant to the Economic Development team at the city including a potential housing development on Boulevard Road and plans to pilot a single room occupancy effort.

Neighborhood/Community Interests (if known):

The Economic Ecosystem report is not a topic of high community interest - but Boulevard Road has been of high interest to the neighbors in that area.
