Title

Design Review Board Work Session 2 - 2020 Annual Work Plan

Report

Staff Contact:

Catherine McCoy, Associate Planner, 360.570.3776

Project Description:

The Design Review Board will continue work on its annual work plan. The Board identified several items that should be part of the annual work plan, including an annual retreat, Awards of Merit for completed occupied development, and preparing a training strategy for the anticipated new downtown design review chapter in the Olympia Unified Development Code (UDC). Next steps include itemizing time and responsibilities for each item, and update the worksheet that will ultimately be forwarded to the General Government Committee.

Public Notification:

Notice of the Design Review Work Session for February 13, 2020 was distributed in an e-news media release on February 6, 2020.
