Background and Analysis:

Annually, most Council-appointed advisory boards and commissions prepare a work plan for Council review and approval. Past Councils have agreed that Lodging Tax Advisory Committee only need to submit work plans if they propose activities that are different from their routine annual work.

At its April 22 regular meeting, the General Government Committee discussed the work of the Advisory Committees in light of the COVID-19 pandemic and the enormous impact it is having and will have on our community and the work of the City going forward.

The Committee wanted to harness the energy and creativity of the City's Boards and Commission and focus it on helping the City's recovery from the coronavirus emergency and on helping position

the City for the world post global pandemic. General Government requested that the Advisory Committees revisit their 2020 work plans during the month of May and organize the year's work on a three-tiered approach:

TIER 1: Any new work plan items that relate or seize on opportunities and/or learnings related to the COVID-19 emergency.

TIER 2: Any items currently on the work plan that support the City's recovery from the COVID-19 emergency

TIER 3: Any items that are critical to advancing City Council priorities, as follows:

- Homeless Response Plan/Implementation
- Regional Climate Mitigation Plan
- Transportation Master Plan
- Parks Plan
- Yelm Highway Master Plan
- SE Annexation
- Housing Options (1923)
- Fire Regionalization
- Economic Development

General Government Committee members reviewed the plans and met with advisory committee chairs on June 10.
