Title

Creative District Land Use Planning

Recommended Action

Information only. No action requested.

Report

Issue:

Staff will bring the Arts Commission up to date on potential changes to support creative economy in the Creative District.

Staff Contact:

Stephanie Johnson, Arts Program Manager, Parks, Arts & Recreation, 360.709.2678

Presenter(s):

Marygrace Goddu, Historic Preservation Officer, Community Planning and Development, 360.480.0923

Background and Analysis:

As part of the efforts to support the Creative District, City planning staff have been considering how to reduce barriers to adaptive reuse to encourage creative entrepreneurship within the District, and expand the availability of affordable space within our downtown.
