Title

Discussion of Possible Donation Policy Revisions Pertaining to Memorials

Recommended Action

Provide guidance to staff on how memorials and plaques should be treated in the parks system.

Report

Issue:

Whether to revise the donation policy language around memorials in parks.

Staff Contact:

Background and Analysis:

OPARD is regularly contacted by members of the public interested in putting a memorial or plaque in one of Olympia's parks. Staff has requested that more guidelines are determined so as to provide consistency and clarity for staff and the public.

At the meeting, staff will present options for consideration and give an overview of how other parks departments have approached memorials and plaques in parks.
