Background and Analysis:

During the COVID-19 shutdown, City advisory committees transitioned to meeting remotely, via Zoom. As the City returns to normal operations, each advisory committee is invited to decide whether to continue meeting remotely or meet in person.

Currently there are scheduling conflicts with large meeting rooms in City Hall on the fourth Wednesday of each month. If the committee chooses to meet in person, it should consider changing its meeting dates as well.

While there isn't the capacity to hold hybrid meetings, with some remote and some in person, meetings may be a mix with some remote and some in person.
