Background and Analysis:

On August 4, 2021, Berger Partnership presented a proposed concept plan for the Phase 1 southern portion of the future park. The public meeting was hosted over Zoom and recorded. An associated survey was also available on Engage Olympia to gather feedback on the concept plan. The survey was open from August 5, 2021 through September 2, 2021 and received 62 responses. At PRAC's October meeting, staff will share the Phase 1 concept plan and the survey feedback received.
