**Title**

Private Development and Capital Projects Briefing

**Recommended Action**

Information only; no action required.

**Report**

**Issue:**

Overview of private development and capital projects under construction or completed in 2021.

**Staff Contact:**

Cari Hornbein, Senior Planner, Community Planning and Development, 360.753.8048

**Presenter(s):**

Tim Smith, Planning and Engineering Manager, Community Planning and Development  
Fran Eide, City Engineer, Public Works

**Background and Analysis:**

Staff from the Community Planning and Development and Public Works departments will share with the Planning Commission projects that have been completed this year or are currently under construction. The Planning Commission plays an important role in shaping the built environment through its review of planning policies and development regulations. This briefing will provide an opportunity for Commissioners to see how adopted policies and regulations are implemented.
