Applicant:

Kate Fiegen, 609 A Columbia St. SW, Olympia WA 98501

Representative(s):

N/A

Staff Contact:

Lydia Moorehead, Associate Planner, 360.570.3746

Site Address:

200 Sleater Kinney Rd

Project Description:

Demolish the southern portion of the existing North Thurston School District RMAC Building and add a two-story, 30,000 square foot addition. The project will include an interior remodel of the existing structure, grading of the south lot, a revised south parking lot with new access lanes and a new shipping and receiving area. The building will be used for administrative spaces, classrooms and accessory spaces needed to support North Thurston Public School operations.
