Presenter(s):

Debbie Sullivan, Assistant City Manager

Background and Analysis:

Each year, all Council Committees develop a work plan. Staff developed the Work Plan based on the priorities identified at the 2023 City Council retreat.

Highlights of the 2023 work plan include: recruiting, interviewing, and recommending appointments to Council for advisory boards, committees, and commissions; discussion of a Youth Council; the findings and recommendations on how to address discrimination in the community; and a recommendation on a model for civilian oversight of law enforcement.

The 2023 work plan allows time throughout the year to respond to emerging issues. Meetings are scheduled for the fourth Wednesday of every month starting at 5:30 pm. However, additional meetings will be scheduled in late February or early March to interview candidates to fill vacancies on

several Council advisory boards, committees, and commissions.

Climate Analysis:

The Climate Framework analysis will be completed for the individual work plan items being presented to the Committee throughout the year.

Equity Analysis:

The Climate Framework analysis will be completed for the individual work plan items being presented to the Committee throughout the year.

Neighborhood/Community Interests (if known):

Items on the Community Livability and Public Safety Committee are of high interest to the community and Council-appointed advisory committees. These will be highlighted by staff when the work plan item is presented to the Committee.

Options:

1. Approve the 2023 Community Livability and Public Safety Work Plan.
2. Update and approve the 2023 Community Livability and Public Safety Work Plan based on feedback from Council.
3. Take other action.

Financial Impact:

The funding impact will be discussed when the individual work plans are presented to the Committee and Council
