

General Government Committee
Oral Report - Update on Microphone
Enhancement Project

Agenda Date: 4/16/2013
Agenda Item Number: 4.B
File Number: 13-0315

Type: report **Version:** 1 **Status:** Filed

Agenda Item:

Oral Report - Update on Microphone Enhancement Project

Issue:

Chair Roe asked for an update on the microphone project for Council Chambers and Room 207, and possibility of providing video coverage of advisory committee meetings and Council study sessions.

Committee Recommendation:

N/A

City Manager's Recommendation:

Receive and discuss information.

Staff Contact:

Cathie Butler, Communications Manager, 360.753.7361

Presenter(s):

Cathie Butler, Communications

Background and Analysis:

The microphone/audio systems in the Council Chambers and Room 207 will be upgraded in the next month with a "conference style" system that will provide each meeting participant with an individual microphone. The new system will make it easier to record general discussion and each person's comments.

In addition, the City's contract with TCTV includes time for meeting coverage, as requested by the city.
