Background and Analysis:

The OMPD is a metropolitan park district authorized under Chapters 35.61, 67.20, and 84.52 RCW. The OMPD was created by certification of the election results on November 24, 2016, and is a municipal corporation legally separate from the City of Olympia. As an independent legal entity, the OMPD may sue and be sued, therefore, it is prudent that the OMPD obtain liability coverage for protection.
