Title

OFD Medical Services Officer Classification Title Change

Recommended Action

Staff Recommendation:

Move to approve the proposed change to the Medical Services Officer Classification Title Change.

Report

Staff Contact:

Greg Wright, Deputy Fire Chief, Olympia Fire Department, 360.753.8466

Nicole Camus, Secretary, Human Resources, 360.753.8213

Background

To provide consistency between our contract and actual practice OFD is requesting to change the title of the Medical Services Officer to Captain - Medical Services Officer. The Union and Executive management is in agreement with the proposed title change. There are no cost implications as this change is in title only and no change in salary will apply. This change applies to one FTE.

Findings:

The proposed classification title change reflects the department's operational needs to better accomplish the department's mission by providing consistency between contracts.
