

LEOFF I Disability Board

Hearing Aid Procedure Language Change

Agenda Date: 5/8/2017
Agenda Item Number: 4.A
File Number: 17-0508

Type: decision **Version:** 1 **Status:** Passed

Title

Hearing Aid Procedure Language Change

Report

Issue:

Whether to make a change to hearing aid procedure language.

Staff Contact:

Carl Watts, Personnel Analyst, General Government Department, Human Resources, 360.753.8305

Background:

Recommend changing hearing aid language so members that want to buy hearing aids from Costco only need the Costco estimate. They will not need two estimates, which is the current policy.

Attachments:

Attachments containing protected medical information will be sent via File Transfer Protocol (FTP)
