Title

Case: Work Session: “Advancements in EIFS (Exterior Insulation and Finish Systems) for Today’s Building Envelope Design Challenges”

Report

Presenter:

Josh Rupe, Technical Sales Associate, Dryvit Systems, Inc., One Energy Way, West Warwick, RI 02893

Staff Contact:

Catherine McCoy, Associate Planner, 360.570.3776

Project Description:

Mr. Josh Rupe, Technical Sales Associate for Dryvit Systems, Inc., will provide a PowerPoint presentation to the Design Review Board on a specific building wall envelope solution - Exterior Insulation and Finish System (EIFS) - as a source for “...continuous insulation (ci), air/water-resistive barrier (awrb) and NFPA 285 fire testing compliance.”
