

LEOFF I Disability Board

Case #12-17 Dental Request

Agenda Date: 9/11/2017
Agenda Item Number: 4.A
File Number: 17-0917

Type: decision **Version:** 1 **Status:** Passed

Title

Case #12-17 Dental Request

Report

Issue:

Whether to approve payment for dental work for LEOFF member and for what amount.

Staff Contact:

Carl Watts, Personnel Analyst, Administrative Services Human Resources, 360.753.8305

Background:

The board must decide whether or not to finalize the request for dental work in the amount of \$4,409. The member has a broken tooth that can lead to an infection and gum disease, causing an increased risk of coronary artery disease. This procedure helps protect from infection and general inflammation. The cost exceeds the allowable amount of \$600/year for regular dental care. This is in accordance with LEOFF I policies and procedures. This request was already tentatively approved by the board.
