**Title**

Case #14-17 Dental Request

**Report**

**Issue:**

Whether or not to authorize three dental cleanings a year for LEOFF member.

**Staff Contact:**

Carl Watts, Personnel Analyst, General Government, Human Resources, 360.753.8305

**Background:**

The doctor is recommending regular cleanings three times yearly due to high plaque and dental index, gingival inflammation, recession, periodontal probing depths and calculus. This is to prevent the risk for coronary artery disease with underlying systemic hypertension, hyperlipidemia, and family history of coronary artery disease.
