Title

Downtown Street Improvement Update

Report

Issue:

Information only. No action requested.

Report

Issue:

Briefing on upcoming downtown street improvement projects.

Staff Contact:

Sophie Stimson, Senior Planner, Public Works Transportation, 360.753.8497

Presenter(s):

Sophie Stimson

Background and Analysis:

The *Olympia Downtown Strategy*, accepted by the City Council earlier this year, guides the near-term development of downtown, including transportation. As part of the City's Pavement Management Program, we will repave four downtown streets. To be consistent with the *Downtown Strategy*, we will also go beyond paving on those projects to including some place-making elements and improvements to walking, biking, and transit.

Options:

None - discussion only

Financial Impact:

None from this briefing
