Background and Analysis:

Each year the City Council reviews and approves an annual work plan for all Council Committees. The Draft 2018 General Government Committee work plan is included as an attachment.

In the Council's January retreat, the Council chose to make the meeting dates for the General Government Committee the fourth Wednesday of each month. The December 2018 meeting currently fall during a Council Vacation week and will need to be re-scheduled. A calendar of General Government Committee member's assignment schedules for non-vacation weeks in December are included as an attachment, and meant to help facilitate members' discussion on rescheduling the meeting for that month.
