Title

Stevens Field #2 Improvements, 2300 Washington St SE, 19-2749

Report

Project Information:

The City of Olympia Parks, Arts, and Recreation department would like to install synthetic turf on the infield and full LED ballfield lighting to field #2 at Stevens Field. We installed synthetic infield to field #1 in 2016 and replaced the lighting in 2018. This project will make field #2 consistent with field #1.
