# Customer Reminder - Installation (continued)

## JOB COMPLETION

- Upon completion of Your job, The Home Depot requires an authorized individual, preferably the original buyer, over the age of 18 be available to sign a Completion Certificate and make final payment (if applicable).
- The Home Depot Installers are authorized to receive final payment.
- If you are paying by check, make the check payable to "The Home Depot" and provide a valid driver's license number.

## LEAD-SAFE RENOVATION

- If applicable, the rooms or areas where work is being done may be blocked off or sealed with plastic sheeting to contain any dust that is generated. The contained area will not be available until the work in that room or area is complete, cleaned thoroughly and all dust is removed.
- Access to the work area will not be permitted and you should plan accordingly.
- The Lead Safe Certified Guide To Renovate Right pamphlet will be reissued every 60 days with a revised date for compliance purposes.

## GENERAL

**IMPORTANT:** Verbal promises cannot be honored. Verify that everything you expect is detailed in writing.

- Installation may be noisy.
- Children must be kept away from the work area.
- Pets must removed from the residence.
- Before completing the installation, airborne dust in other parts of the home is a natural occurrence and is the responsibility of the customer; the only exception is for Lead Safe projects where the home was built prior to 1978.
- The installer may decline to install the job if in their professional opinion it seems unsafe, in violation of state or local codes, cannot be performed to industry standards, or if conditions that materially alter the scope of work are found.
- Please review Your Home Improvement Contract for General Terms and Conditions, and for information regarding cancellation and service fee policies.
- Service issues found after job completion will be handled as part of the applicable Product or Craftsmanship Warranty.

**IMPORTANT:** After installation, drilling of any kind into a window will void the window warranty.
