Dear sir,

Your request for a permit for the construction of a Quonset Steel Building on Lots 8, 9 and 10, Block 43, Swan's Addition for warehouse purposes was presented to the commission at its last meeting and the writer was directed to inform you that it would be necessary to present a regular petition to the City Clerk accompanied by the fee required by ordinance to cover the cost of a hearing on the matter. Your attention is called to the provisions of Section 21 of the existing Zoning Ordinance.

Very truly yours

EDW. C. DOHM
