Performance by the Sponsor

The Sponsor shall undertake the project as described in this Agreement, and in accordance with the Sponsor's proposed goals and objectives described in the application or documents submitted with the application, all as finally approved by the RCO (to include any RCO approved changes or amendments thereto). All submitted documents are incorporated by this reference as if fully set forth herein.

Timely completion of the project and submission of required documents, including progress and final reports, is important. Failure to meet critical milestones or complete the project, as set out in this Agreement, is a material breach of the Agreement.

Assignment

Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by the Sponsor without prior written approval of the RCO. Sponsor shall not sell, give, or otherwise assign to another party any property right, or alter a conveyance (see below) for the project area acquired with this grant without prior approval of the RCO.

Responsibility for Project

Although RCO administers the grant that is the subject of this Agreement, the project itself remains the sole responsibility of the Sponsor. The RCO and Funding Entity (if different from the RCO) undertakes no responsibilities to the Sponsor, or to any third party, other than as is expressly set out in this Agreement.

The responsibility for the implementation of the project is solely that of the Sponsor, as is the responsibility for any claim or suit of any nature by any third party related in any way to the project. When a project has more than one Sponsor, any and all Sponsors are equally responsible for the project and all post-completion stewardship responsibilities

and long-term obligations unless otherwise stated in this Agreement.

The RCO, its employees, assigns, consultants and contractors, and members of any funding board or advisory committee or other RCO grant review individual or body, have no responsibility for reviewing, approving, overseeing or supervising design, construction, or safety of the project and leaves such review, approval, oversight and supervision exclusively to the Sponsor and others with expertise or authority. In this respect, the RCO, its employees, assigns, consultants and contractors, and any funding board or advisory committee or other RCO grant review individual or body will act only to confirm at a general, lay person, and nontechnical level, solely for the purpose of project eligibility and payment and not for safety or suitability, that the project apparently is proceeding or has been completed as per the Agreement.

Indemnification

The Sponsor shall defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the actual or alleged acts, errors, omissions or negligence in connection with this Agreement (including without limitation all work or activities thereunder), or the breach of any obligation under this Agreement by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors, or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

Provided that nothing herein shall require a Sponsor to defend or indemnify the State against and hold harmless the State from claims, demands or suits based solely upon the negligence of the State, its employees and/or agents for whom the State is vicariously liable.

Provided further that if the claims or suits are caused by or result from the concurrent negligence of (a) the Sponsor or the Sponsor's agents or employees, and (b) the State, or its employees or agents the indemnity obligation shall be valid and enforceable only to the extent of the Sponsor's negligence or its agents, or employees.

As part of its obligations provided above, the Sponsor specifically assumes potential liability for actions brought by the Sponsor's own employees or its agents against the State and, solely for the purpose of this indemnification and defense, the Sponsor

specifically waives any immunity under the state industrial insurance law, RCW Title 51. Sponsor's waiver of immunity under this provision extends only to claims against Sponsor by Indemnatee RCO, and does not include, or extend to, any claims by Sponsor's employees directly against Sponsor.

Sponsor shall ensure that any agreement relating to this project involving any contractors, subcontractors and/or vendors of any tier shall require that the contracting entity indemnify, defend, waive RCW 51 immunity, and otherwise protect the State as provided herein as if it were the Sponsor. This shall not apply to a contractor or subcontractor is solely donating its services to the project without compensation or other substantial consideration.

The Sponsor shall also defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable, in performance of the work under this Agreement or arising out of any use in connection with the Agreement of methods, processes, designs, information or other items furnished or communicated to the State, its agents, officers and employees pursuant to the Agreement. Provided, this indemnity shall not apply to any alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions resulting from the State's, its agents', officers' and employees' failure to comply with specific written instructions regarding use provided to the State, its agents, officers and employees by the Sponsor, its agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

The funding board and RCO are included within the term State, as are all other agencies, departments, boards, councils, committees, divisions, bureaus, offices, societies, or other entities of state government.

Independent Capacity of the Sponsor

The Sponsor and its employees or agents performing under this Agreement are not officers, employees or agents of the RCO or Funding Entity. The Sponsor will not hold itself out as nor claim to be an officer, employee or agent of the RCO or the Funding Entity, or of the state of Washington, nor will the Sponsor make any claim of right, privilege or benefit which would accrue to an employee under RCW 41.06.

The Sponsor is responsible for withholding and/or paying employment taxes, insurance, or deductions of any kind required by federal, state, and/or local laws.

Conflict of Interest

Notwithstanding any determination by the Executive Ethics Board or other tribunal, RCO may, in its sole discretion, by written notice to the Sponsor terminate this Agreement if it is found after due notice and examination by RCO that there is a violation of the Ethics in Public Service Act, RCW 42.52; or any similar statute involving the Sponsor in the procurement of, or performance under, this Agreement.

In the event this Agreement is terminated as provided herein, RCO shall be entitled to pursue the same remedies against the Sponsor as it could pursue in the event of a breach of the Agreement by the Sponsor. The rights and remedies of RCO provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

Compliance with Applicable Law

In implementing the Agreement, the Sponsor shall comply with all applicable federal, state, and local laws (including without limitation all applicable ordinances, codes, rules, and regulations). Such compliance includes, without any limitation as to other applicable laws, the following laws:

In the event of the Sponsor's

noncompliance or refusal to comply with any nondiscrimination law or policy, the Agreement may be rescinded, cancelled, or terminated in whole or in part, and the Sponsor may be declared ineligible for further grant awards from the RCO or Funding Entity. The Sponsor is responsible for any and all costs or liability arising from the Sponsor's failure to so comply with applicable law. Except where a nondiscrimination clause required by a federal funding agency is used, the Sponsor shall insert the following nondiscrimination clause in each contract for construction of this project: "During the performance of this contract, the contractor agrees to comply with all federal and state nondiscrimination laws, regulations and policies."

- B. **Secular Use of Funds.** No funds awarded under this grant may be used to pay for any religious activities, worship, or instruction, or for lands and facilities for religious activities, worship, or instruction. The Sponsor agrees when state prevailing wage laws (RCW 39.12) are applicable, to comply with such laws, to pay the prevailing rate of wage to all workers, laborers, or mechanics employed in the performance of any part of this contract, and to file a statement of intent to pay prevailing wage with the Washington State Department of Labor and Industries as required by RCW 39.12.40.  - 1. Pursuant to RCW 39.12.040(1)(a), all contractors and subcontractors shall submit to Sponsor a statement of intent to pay prevailing wages if the need to pay prevailing wages is required by law. If a contractor or subcontractor intends to pay other than prevailing wages, it must provide the Sponsor with an affirmative statement of the contractor's or subcontractor's intent. Unless required by law, the Sponsor is not required to investigate a statement regarding prevailing wage provided by a contractor or subcontractor.

- D. **Restrictions on Grant Use.** No part of any funds provided under this grant shall be used, other than for normal and recognized executive-legislative relationships, for publicity or propaganda purposes, or for the preparation, distribution, or use of any kit, pamphlet, booklet, publication, radio, television, or video presentation designed to support or defeat legislation pending before the U.S. Congress or any state legislature. No part of any funds provided under this grant shall be used to pay the salary or expenses of any Sponsor, or agent acting for such Sponsor, related to any activity designed to influence legislation or appropriations pending before the U.S. Congress or any state legislature.

Further, the Sponsor agrees not to enter into any arrangements or contracts related to this Agreement with any party that is on Washington State Department of Labor and Industries' "Debarred Contractor List."

Archaeological and Cultural Resources

- A. **Project Review.** RCO facilitates the review of projects for potential impacts to archaeology and cultural resources, except as those listed below. The Sponsor shall follow RCO guidance and directives to assist it with such review as may apply.
1. Projects occurring on State/Federal Lands: Archaeological and cultural resources compliance for projects occurring on State or Federal Agency owned or managed lands, will be the responsibility of the respective agency, regardless of sponsoring entity type. Prior to ground disturbing work or alteration of a potentially historic or culturally significant structure, or release of final payments on an acquisition, the Sponsor must provide RCO all documentation acknowledging and demonstrating that the applicable archaeological and cultural resources responsibilities of such state or federal landowner or manager has been conducted.
- B. **Termination.** RCO retains the right to terminate a project due to anticipated or actual impacts to archaeology and cultural resources.
- C. **Notice To Proceed.** No work shall commence in the project area until RCO has provided a notice of cultural resources completion. RCO may require on-site monitoring for impacts to archaeology and cultural resources during any demolition, construction, land clearing, restoration, or repair work, and may direct that work stop to minimize, mitigate, or avoid impacts to archaeology and cultural resource impacts or concerns. All cultural resources requirements for non ground disturbing projects (such as acquisition or planning projects) must be met prior to final reimbursement.
- D. **Compliance and Indemnification.** At all times, the Sponsor shall take reasonable action to avoid, minimize, or mitigate adverse effects to archaeological and historic resources in the project area, and comply with any RCO direction for such minimization and mitigation. All federal or state cultural resources requirements under Governor's Executive Order 21-02 and the National Historic Preservation Act, and the State Environmental Policy Act and the National Environmental Policy Act, and any local laws that may apply, must be completed prior to the start of any work on the project site. The Sponsor must agree to

indemnify and hold harmless the State of Washington in relation to any claim related to historical or cultural artifacts discovered, disturbed, or damaged due to the project funded under this Agreement. Sponsor shall comply with RCW 27.53, RCW 27.44.055, and RCW 68.50.645, and all other applicable local, state, and federal laws protecting cultural resources and human remains.

If any human remains are found while conducting work under this Agreement, Sponsor shall immediately stop work and notify the local Law Enforcement Agency or Medical Examiner/Coroner's Office, and then RCO, all in the most expeditious manner, and stop any activity that may cause disturbance to the remains. Sponsor shall secure the area of the find will and protect the remains from further disturbance until the State provides a new notice to proceed.

- a. Any human remains discovered shall not be touched, moved, or further disturbed unless directed by the Department of Archaeology and Historic Preservation (DAHP).
- b. The county medical examiner/coroner will assume jurisdiction over the human skeletal remains and make a determination of whether those remains are forensic or non-forensic. If the county medical examiner/coroner determines the remains are non-forensic, then they will report that finding to the Department of Archaeology and Historic Preservation (DAHP) who will then take jurisdiction over the remains. The DAHP will notify any appropriate cemeteries and all affected tribes of the find. The State Physical Anthropologist will make a determination of whether the remains are Indian or Non-Indian and report that finding to any appropriate cemeteries and the affected tribes. The DAHP will then handle all consultation with the affected parties as to the future preservation, excavation, and disposition of the remains.

If any litigation, claim or audit is started before the expiration of the nine (9) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.
- C. **Access to Records and Data.** At no additional cost, the records relating to the Agreement, including materials generated under the Agreement, shall be subject

Additionally, the Sponsor agrees to disclose any information in regards to the expenditure of that funding as if the project sponsor were subject to the requirements of chapter 42.56 RCW. By submitting any record to the State, Sponsor understands that the State may be requested to disclose or copy that record under the state public records law, currently codified at RCW 42.56. The Sponsor warrants that it possesses such legal rights as are necessary to permit the State to disclose and copy such record to respond to a request under state public records laws. The Sponsor hereby agrees to release the State from any claims arising out of allowing such review or copying pursuant to a public records act request, and to indemnify against any claims arising from allowing such review or copying and pay the reasonable cost of state's defense of such claims.

Further, if the project is subject to operation and or maintenance obligations, the failure to comply with such obligations, without cure after a reasonable period as determined by the RCO, is a conversion. Determination of whether a conversion has occurred shall be based upon all terms of the Agreement, and all applicable state or federal laws or regulation.

1. When a conversion has been determined to have occurred, the Sponsor shall remedy the conversion as set forth in this Agreement (with incorporated documents) and as required by all applicable policies, manuals, WACs and laws that exist at the time the remedy is implemented or the right to the remedy is established by a court or other decision-making body, and the RCO may pursue all remedies as allowed by the Agreement or law.

Waiver of Default

Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver or breach of any provision of the Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless stated to be such in writing, signed by the director, or the director's designee, and attached as an amendment to the original Agreement.

Application Representations–Misrepresentations or Inaccuracy or Breach

The Funding Entity (if different from RCO) and RCO rely on the Sponsor's application in making its determinations as to eligibility for, selection for, and scope of, funding grants. Any misrepresentation, error or inaccuracy in any part of the application may be deemed a breach of this Agreement.

Specific Performance

RCO may, at its discretion, enforce this Agreement by the remedy of specific performance, which means Sponsors' completion of the project and/or its completion of long-term obligations as described in this Agreement. However, the remedy of specific performance shall not be the sole or exclusive remedy available to RCO. No remedy available to the RCO shall be deemed exclusive. The RCO may elect to exercise any, a combination of, or all of the remedies available to it under this Agreement, or under any provision of law, common law, or equity, including but not limited to seeking full or partial repayment of the grant amount paid and damages.

Termination and Suspension

The RCO requires strict compliance by the Sponsor with all the terms of this Agreement including, but not limited to, the requirements of the applicable statutes, rules, and RCO policies, and with the representations of the Sponsor in its application for a grant as finally approved by RCO. For federal awards, notification of termination will comply with 2 C.F.R. § 200 (as updated).

A. For Cause.

1. The RCO director may suspend or terminate the obligation to provide funding to the Sponsor under this Agreement:

 - c. If the primary and secondary Sponsor(s) cannot mutually agree on the process and actions needed to implement the project;
2. Prior to termination, the RCO shall notify the Sponsor in writing of the opportunity to cure. If corrective action is not taken within 30 days or such other time period that the director approves in writing, the Agreement may be terminated. In the event of termination, the Sponsor shall be liable for damages or other relief as authorized by law and/or this Agreement.
3. RCO reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Sponsor from incurring additional obligations of funds during the investigation of any alleged breach and pending corrective action by the Sponsor, or a decision by the RCO to terminate the Contract.

B. For Convenience. Except as otherwise provided in this Agreement, RCO may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Agreement, in whole or in part when it is in the best interest of the state. If this Agreement is so terminated, RCO shall be liable only for payment required under the terms of this Agreement prior to the effective date of termination. A claimed termination for cause shall be deemed to be a "Termination for Convenience" if it is determined that:

1. The Sponsor was not in default; or

2. Failure to perform was outside Sponsor's control, fault or negligence.

C. Rights and Remedies of the RCO.

1. The rights and remedies of RCO provided in this Agreement are not exclusive and are in addition to any other rights and remedies provided by law.
2. In the event this Agreement is terminated by the director, after any portion of the grant amount has been paid to the Sponsor under this Agreement due to Sponsor's breach of the Agreement or other violation of law, the director may require that any amount paid be repaid to RCO for redeposit into the account from which the funds were derived. However, any repayment shall be limited to the extent repayment would be inequitable and represent a manifest injustice in circumstances where the project will fulfill its fundamental purpose for substantially the entire period of performance and of long-term obligation.

D. Non Availability of Funds. The obligation of the RCO to make payments is contingent on the availability of state and federal funds through legislative appropriation and state allotment. If amounts sufficient to fund the grant made under this Agreement are not appropriated to RCO for expenditure for this Agreement in any biennial fiscal period, RCO shall not be obligated to pay any remaining unpaid portion of this grant unless and until the necessary action by the Legislature or the Office of Financial Management occurs. If RCO participation is suspended under this section for a continuous period of one year, RCO's obligation to provide any future funding under this Agreement shall terminate. Termination of the Agreement under this section is not subject to appeal by the Sponsor.

1. Suspension: The obligation of the RCO to manage contract terms and make payments is contingent upon the state appropriating state and federal funding each biennium. In the event the state is unable to appropriate such funds by the first day of each new biennium RCO reserves the right to suspend the Agreement, with ten (10) days written notice, until such time funds are appropriated. Suspension will mean all

work related to the contract must cease until such time funds are obligated to RCO and the RCO provides notice to continue work.

2. No Waiver. The failure or neglect of RCO to require strict compliance with any term of this Agreement or to pursue a remedy provided by this Agreement or by law shall not act as or be construed as a waiver of any right to fully enforce all rights and obligations set forth in this Agreement and in applicable state or federal law and regulations.

Dispute Hearing

Except as may otherwise be provided in this Agreement , when a dispute arises between the Sponsor and the RCO, which cannot be resolved, either party may request a dispute hearing according to the process set out in this section. Either party's request for a dispute hearing must be in writing and clearly state:

- A. The disputed issues;
- B. The relative positions of the parties;
- C. The Sponsor's name, address, project title, and the assigned project number.

In order for this section to apply to the resolution of any specific dispute or disputes, the other party must agree in writing that the procedure under this section shall be used to resolve those specific issues. The dispute shall be heard by a panel of three persons consisting of one person chosen by the Sponsor, one person chosen by the director, and a third person chosen by the two persons initially appointed. If a third person cannot be agreed on, the persons chosen by the Sponsor and director shall be dismissed and an alternate person chosen by the Sponsor, and one by the director shall be appointed and they shall agree on a third person. This process shall be repeated until a three person panel is established.

Any hearing under this section shall be informal, with the specific processes to be determined by the disputes panel according to the nature and complexity of the issues involved. The process may be solely based on written material if the parties so agree. The disputes panel shall be governed by the provisions of this Agreement in deciding the disputes.

The parties shall be bound by the majority decision of the dispute panelists, unless the remedy directed by that panel is beyond the authority of either or both parties to perform, as necessary, or is otherwise unlawful.

Request for a disputes hearing under this section by either party shall be delivered or mailed to the other party. The request shall be delivered or mailed within thirty (30) days of the date the requesting party has received notice of the action or position of the other party which it wishes to dispute. The written agreement to use the process under this section for resolution of those issues shall be delivered or mailed by the receiving party to the requesting party within thirty (30) days of receipt by the receiving party of the request.

All costs associated with the implementation of this process shall be shared equally by the parties.

Attorneys' Fees

In the event of litigation or other action brought to enforce contract terms, each party agrees to bear its own costs and attorneys' fees.

Governing Law/Venue

This Agreement shall be construed and interpreted in accordance with the laws of the State of Washington. In the event of a lawsuit involving this Agreement, venue shall be in Thurston County Superior Court if legally proper; otherwise venue shall be in the Superior Court of a county where the project is situated, if venue there is legally proper, and if not, in a county where venue is legally proper. The Sponsor, by execution of this Agreement acknowledges the jurisdiction of the courts of the State of Washington and agrees to venue as set forth above.

Severability

This is the end of the Standard Terms and Conditions of the Agreement.

Special Provisions

Provisions for Acquisition Projects

The following provisions shall be in force only if the project described in this Agreement is an acquisition project (including projects with any acquisition component):

Evidence of Land Value. Before disbursement of funds by RCO as provided under this Agreement, the Sponsor agrees to supply documentation acceptable to RCO that the cost of the property rights acquired has been established according to funding board policy.

Evidence of Title. The Sponsor agrees to provide documentation that shows the type of ownership interest for the property that has been acquired. This shall be done before any payment of financial assistance.

Legal Description of Real Property Rights Acquired. The legal description of the real property rights purchased with funding assistance provided through this Agreement (and protected by a recorded conveyance of rights to the State of Washington) shall be delivered to RCO before final payment.

Conveyance of Rights to the State of Washington. When real property rights (both fee simple and lesser interests) are acquired, the Sponsor agrees to execute an appropriate document conveying certain rights and responsibilities to RCO, on behalf of the State of Washington. These documents include a Deed of Right, Assignment of Rights, Easements and/or Leases as described below. The Sponsor agrees to use document language provided by RCO, to record the executed document in the County where the real property lies, and to provide a copy of the recorded document to RCO. The document required will vary depending on the funding board project type, the real property rights being acquired and whether or not those rights are being acquired in perpetuity.

Deed of Right. The Deed of Right conveys to the people of the state of Washington the right to preserve, protect, access, and/or use the property for public purposes consistent with the funding source and project agreement. See WAC 286 or 420. Sponsors shall use this document when acquiring real property rights that include the underlying land. This document may also be applicable for those easements where the Sponsor has acquired a perpetual easement for public purposes.

Assignment of Rights. The Assignment of Rights document transfers certain rights to RCO and the state such as public access, access for compliance, and enforcement. Sponsors shall use this document when an easement or lease is being acquired under this Agreement. The Assignment of Rights requires the signature of the underlying landowner and must be incorporated by reference in the easement document.

Easements and Leases. The Sponsor may incorporate required language from the Deed of Right or Assignment of Rights directly into the easement or lease document, thereby eliminating the requirement for a separate document. Language will depend on the situation; Sponsor must obtain RCO approval on the draft language prior to executing the easement or lease.

Real Property Acquisition and Relocation Assistance.

- **Federal Acquisition Policies.** When federal funds are part of this Agreement, the Sponsor agrees to comply with the terms and conditions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 84 Stat. 1894 (1970)--Public Law 91-646, as amended, and applicable regulations and procedures of the federal agency implementing that Act.
- **State Acquisition Policies.** When state funds are part of this Agreement, the Sponsor agrees to comply with the terms and conditions of the Uniform Relocation Assistance and Real Property Acquisition Policy of the State of Washington, Chapter 8.26 RCW, and Chapter 468-100 WAC.
- **Housing and Relocation.** In the event that housing and relocation costs, as required by federal law set out in subsection (1) above and/or state law set out in subsection (2) above, are involved in the execution of this project, the Sponsor agrees to provide any housing and relocation assistance required.

- **Buildings and Structures.** In general, grant funds are to be used for outdoor recreation, conservation, or salmon recovery. Sponsors agree to remove or demolish ineligible structures. Sponsor must consult with RCO regarding treatment of such structures and compliance with Section 8.D Archeological and Cultural Resources.

Hazardous Substances.

- **Certification.** The Sponsor shall inspect, investigate, and conduct an environmental audit of the proposed acquisition site for the presence of hazardous substances, as defined in RCW 70.105D.020(13), and certify:
 - No hazardous substances were found on the site, or
 - Any hazardous substances found have been treated and/or disposed of in compliance with applicable state and federal laws, and the site deemed "clean."
- **Responsibility.** Nothing in this provision alters the Sponsor's duties and liabilities regarding hazardous substances as set forth in RCW 70.105D.
- **Hold Harmless.** The Sponsor will defend, protect and hold harmless the State and any and all of its employees and/or agents, from and against any and all liability, cost (including but not limited to all costs of defense and attorneys' fees) and any and all loss of any nature from any and all claims or suits resulting from the presence of, or the release or threatened release of, hazardous substances on the property the Sponsor is acquiring, except to the extent, if any, that the State, its officers and agents caused or contributed to the release. The funding board and RCO are included within the term State, as are all other agencies, departments, boards, councils, committees, divisions, bureaus, offices, societies, or other entities of state government.
- **Requirements for Federal Subawards.** The non-federal entity (Sponsor) must submit reports at least annually on the status of real property in which the federal government retains an interest, unless the federal interest in the real property extends 15 years or longer. In those instances where the federal interest attached is for a period of 15 years or more, the federal awarding agency or the pass-

through entity (RCO), at its option, may require the Sponsor to report at various multi-year frequencies (e.g., every two years or every three years, not to exceed a five-year reporting period; or a federal awarding agency or RCO may require annual reporting for the first three years of a federal award and thereafter require reporting every five years) (2 C.F.R § 200.329 (2013)).

Long-Term Obligations of the Projects and Sponsors

Long-Term Obligations of RCFB Projects. Sponsor shall comply with WAC 286-13-160, 170, and 180.

Long-Term Obligations of SRFB Projects. Sponsor shall comply with WAC 420.

For acquisition, development, and restoration projects, or a combination thereof, unless otherwise allowed by policy, program rules, or this Agreement, or approved in writing by RCO or the funding board, RCO requires that the project area continue to function as intended after the period of performance in perpetuity.

Conversion. The Sponsor shall not at any time convert any real property (including any interest therein) or facility acquired, developed, renovated, and/or restored pursuant to this Agreement, unless provided for in applicable statutes, rules, and policies.

Conversion includes, but is not limited to, putting such property to uses other than those purposes for which funds were approved or transferring such property to another entity without prior approval via a written amendment to the Agreement. Also see WAC Title 286 or 420 and applicable policies. All real property or facilities acquired, developed, renovated, and/or restored with funding assistance shall remain in the same ownership and in public use/access status in perpetuity unless otherwise expressly provided in the Agreement or applicable policy or unless a transfer or change in use is approved by the funding board through an amendment. Failure to comply with these obligations is a conversion. Further, if the project is subject to operation and or maintenance obligations, the failure to comply with such obligations, without cure after a reasonable period as determined by the RCO, is a conversion. Determination of whether a conversion has occurred shall be based upon this Agreement, applicable law and RCFB/SRFB policies.

For acquisition projects that are expressly term limited in the Agreement, such as one involving a lease or a term-limited restoration, renovation or development project or

easement, the restriction on conversion shall apply only for the length of the term, unless otherwise provided in this Agreement, by funding board policy, other RCO approved written documents, or required by applicable state or federal law.

When a conversion has been determined to have occurred, the Sponsor is required to remedy the conversion per established funding board policies, and the board or RCO may pursue such remedies as are allowed by law and board policies, and/or this Agreement.

Provisions for Development, Maintenance, Renovation, and Restoration Projects

The following provisions shall be in force only if the project described in this Agreement is for construction of land or facilities in a development, maintenance, renovation or restoration project:

The RCO does not conduct safety inspections or employ or train staff for that purpose.

Document Review and Approval. Prior to commencing construction or finalizing the design, the Sponsor agrees to submit one copy of all construction and restoration plans and specifications to RCO for review solely for compliance with the scope of work to be identified in the Agreement. RCO does not review for, and disclaims any responsibility to review for safety, suitability, engineering, compliance with code, or any matters other than the scope so identified. Although RCO staff may provide tentative guidance to a Sponsor on matters related to site accessibility by persons with a disability, it is the Sponsor's responsibility to confirm that all legal requirements for accessibility are met even if the RCO guidance would not meet such requirements.

Change orders that impact the amount of funding or changes to the scope of the project as described to and approved by the funding board or RCO must receive prior written approval of the board or RCO.

Control and Tenure. The Sponsor must provide documentation that shows appropriate tenure (such as landowner agreement, long-term lease, easement, or fee simple ownership) for the land proposed for construction. The documentation must meet current RCO requirements identified in the appropriate grant program policy manual as of the effective date of this Agreement and determines the long-term compliance period unless otherwise approved by the board.

"During the performance of this contract, the contractor agrees to comply with all federal and state nondiscrimination laws, regulations and policies." "

Use of Best Management Practices. Sponsors are encouraged to use best management practices including those developed as part of the Washington State Aquatic Habitat Guidelines (AHG) Program. Drug Free Workplace Certification. Sub-recipient (Sponsor) shall make an ongoing, good faith effort to maintain a drug-free workplace pursuant to the specific requirements set forth in 2 C.F.R. Part 1536 Subpart B. Additionally, in accordance with these regulations, the recipient organization shall identify all known workplaces under its federal awards, and keep this information on file during the performance of the award. The sub-recipient (Sponsor), and all sub-awardees of sub-recipient (Sponsor) must inform RCO immediately of any information you receive from any source alleging a violation of this prohibition during the award term.

The federal agency funding this Agreement may unilaterally terminate, without penalty, the funding award if this prohibition is violated, Section 106 of the Trafficking Victims Protection Act of 2000, as amended.

Lobbying. The chief executive officer of this recipient agency (Sponsor) shall ensure that no grant funds awarded under this Agreement are used to engage in lobbying of the Federal Government or in litigation against the United States, unless authorized under existing law. The recipient (Sponsor) shall abide by its respective Cost Principles (OMB Circulars A-21, A-87, and A-122), which generally prohibits the use of federal grant funds for litigation against the United States, or for lobbying or other political activities.

The Sponsor agrees to comply with 40 C.F.R. Part 34, New Restrictions on Lobbying. Sponsor shall include the language of this provision in award documents for all sub-awards exceeding \$100,000, and require that sub-awardees submit certification and disclosure forms accordingly.

In accordance with the Byrd Anti-Lobbying Amendment, any Sponsor who makes a prohibited expenditure under 40 C.F.R. Part 34 or fails to file the required certification or lobbying forms shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each expenditure.

All contracts awarded by Sponsor shall contain, when applicable, the anti-lobbying provisions as stipulated in the Appendix at 40 C.F.R. Part 30.

Pursuant to Section 18 of the Lobbying Disclosure Act, Sponsor affirms that it is not a non-profit organization described in Section 501(c)(4) of the Internal Revenue Code of 1986; or that it is a non-profit organization described in Section 501(c)(4) of the code but does not and will not engage in lobbying activities as defined in Section 3 of the Lobbying Disclosure Act.

Reimbursement Limitation. If the Sponsor expends more than the amount of RCO funding in this Agreement in anticipation of receiving additional funds from the RCO, it does so at its own risk. RCO is not legally obligated to reimburse the Sponsor for costs incurred in excess of the RCO approved budget.

Disadvantaged Business Enterprise Requirements. The Sponsor agrees to comply with the requirements of EPA's Utilization of Small, Minority and Women's Business Enterprises in procurements made under this award.

Minority and Women's Business Participation. Sponsor agrees to solicit and recruit, to the maximum extent possible, certified minority owned (MBE) and women owned (WBE) businesses in purchases and contracts initiated after the effective date of this Agreement.

These goals are expressed as a percentage of the total dollars available for purchase or agreement and are as follows:

- Purchased Goods 8% MBE 4% WBE
- Purchased Services 10% MBE 4% WBE
- Professional Services 10% MBE 4% WBE

Meeting these goals is voluntary and no agreement award or rejection shall be made based on achievement or non-achievement of the goals. Achievement of the goals is encouraged, however, and Sponsor and ALL prospective bidders or people submitting qualifications shall take the following affirmative steps in any procurement initiated after the effective date of this Agreement:

- Include qualified minority and women's businesses on solicitation lists.
- Assure that qualified minority and women's business are solicited whenever they are potential sources of services or supplies.
- Divide the total requirements, when economically feasible, into smaller tasks or quantities, to permit maximum participation by qualified minority and women's businesses.
- Establish delivery schedules, where work requirements permit, which will encourage participation of qualified minority and women's businesses.
- Use the services and assistance of the State Office of Minority and Women's Business Enterprises (OMWBE) and the Office of Minority Business Enterprises of the U.S. Department of Commerce, as appropriate.

MBE/WBE Reporting. In accordance with the deviation from 40 C.F.R. §33.502, signed November 8, 2013, DBE reporting is limited to annual reports and only required for assistance agreements where one or more the following conditions are met:

- There are any funds budgeted in the contractual/services, equipment or construction lines of the award;
- \$3,000 or more is included for supplies; or
- There are funds budgeted for subawards or loans in which the expected budget(s) meet the conditions as described in items (a) and (b).

When completing the form, recipients (Sponsors) should disregard the quarterly and semi-annual boxes in the reporting period Section 1B of the form. For annual submissions, the reports are due by October 30th of each year or 90 days after the end of the project period, whichever comes first.

The reporting requirement is based on planned procurements. Recipients (Sponsors) with funds budgeted for non-supply procurement and/or \$3,000 or more in supplies are required to report annually whether the planned procurements take place during the reporting period or not. If no procurements take place during the reporting period, the recipient should check the box in Section 5B when completing the form.

MBE/WBE reports should be sent to the DBE Coordinator in the Sponsor's region. Contact information can be found at <http://www.epa.gov/osbp/contactpage.htm>. The coordinators also can answer any questions.

Final MBE/WBE reports must be submitted within 90 days after the project period of the grant ends. To be in compliance with regulations, the Sponsor must submit a final MBE/WBE report. Non-compliance may impact future competitive grant proposals. The current EPA Form 5700-52A can be found at the EPA Office of Small Business Program's Home Page at http://www.epa.gov/osbp/dbe_reporting.htm.

Procurement involving an EPA Financial Assistance Agreement. Pursuant to 40 C.F.R. § 33.301, the Sponsor agrees to make the following six good faith efforts whenever procuring construction, equipment, services and supplies under an EPA financial assistance agreement, and to require that sub-recipients (Sponsors), and prime contractors also comply. Records documenting compliance with the six good faith efforts shall be retained:

Ensure Disadvantaged Business Enterprise (DBEs) are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. For Indian Tribal, State and Local and Government Sponsors, this will include placing DBEs on solicitation lists and soliciting them whenever they are potential sources.

Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.

Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For Indian Tribal, State and local Government Sponsors, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.

Encourage contracting with a consortium of DBEs when an agreement is too large for one of these firms to handle individually.

Use the services and assistance of the Small Business Administration (SBA) and the Minority Business Development of the Department of Commerce.

If the Sponsor awards subcontracts, require the Sponsor to take the steps in paragraphs (a) through (e) of this section.

Lobbying & Litigation. By signing this Agreement, the Sponsor certifies that none of the funds received from this Agreement shall be used to engage in the lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.

The chief executive officer of this Sponsor agency shall ensure that no grant funds awarded under this Agreement are used to engage in lobbying of the Federal Government or in litigation against the United States unless authorized under existing law. The Sponsor shall abide by its respective Attachment in 2 C.F.R. Part 200, which prohibits the use of federal grant funds for litigation against the United States or for lobbying or other political activities.

For subawards exceeding \$100,000, EPA requires the following certification and disclosure forms:

- Certification Regarding Lobbying, EPA Form 6600-06:
http://www.epa.gov/ogd/AppKit/form/Lobbying_sec.pdf
- Disclosure of Lobbying Activities, SF LLL:
http://www.epa.gov/ogd/AppKit/form/sflllin_sec.pdf
- Legal expenses required in the administration of Federal programs are allowable. Legal expenses for prosecution of claims against the Federal Government are unallowable.

Payment to Consultants. EPA participation in the salary rate (excluding overhead) paid to individual consultants retained by recipients (Sponsors) or by a recipients' (Sponsor's) contractors or subcontractors shall be limited to the maximum daily rate for Level IV of the Executive Schedule (formerly GS-18), to be adjusted annually. This limit applies to consultation services of designated individuals with specialized skills who are paid at a daily or hourly rate. This rate does not include transportation and subsistence costs for

travel performed (the recipient will pay these in accordance with his/her normal travel reimbursement practices).

Subagreements with firms for services that are awarded using the procurement requirements in 40 C.F.R. Parts 30 or 31, are not affected by this limitation unless the terms of the contract provide the recipient (Sponsor) with responsibility for the selection, direction and control of the individual who will be providing services under the contract at an hourly or daily rate of compensation. See 40 C.F.R. § 30.27(b) or 40 C.F.R. § 31.369(j), as applicable, for additional information.

As of January 1, 2014, the limit is \$602.24 per day \$75.28 per hour.

Peer Review. Where appropriate, prior to finalizing any significant technical products the Principal Investigator (PI) of this project must solicit advice, review, and feedback from a technical review or advisory group consisting of relevant subject matter specialists. A record of comments and a brief description of how respective comments are addressed by the PI will be provided to the Project Monitor prior to releasing any final reports or products resulting from the funded study.

International Travel (Including Canada). All International Travel must be approved by the US Environmental Protection Agency's Office of International and Tribal Affairs (OITA) BEFORE travel occurs. Even a brief trip to a foreign country, for example to attend a conference, requires OITA approval. Please contact your Partnership Project manager as soon as possible if travel is planned out of the country, including Canada and/or Mexico, so that they can submit a request to the EPA Project Officer if they approve of such travel.

Unliquidated Obligations (ULO). Sub-recipients, and all sub-awardees of Sub-Recipients, if any, should manage their agreement and subaward funding in ways that reduce the length of time that federal funds obligated and committed to subaward projects are unspent (not yet drawn down through disbursements to sub-recipients and sub-awardees).

Provisions Applicable Only if Federally Recognized Indian Tribe is the Sponsor

In the cases where this Agreement is between the funding board (which includes the State of Washington for purposes of this Agreement) and a federally recognized Indian Tribe, the following terms and conditions apply, but only between those parties:

Notwithstanding the above venue provision, if the State of Washington intends to initiate legal action against a federally recognized Indian tribe relating to the performance, breach, or enforcement of this Agreement, it shall so notify the Tribe. If the Tribe believes that a good faith basis exists for subject matter jurisdiction of such an action in federal court, the Tribe shall so notify the State within five days of receipt of such notice and state the basis for such jurisdiction. If the Tribe so notifies the State, the State shall bring such action in federal court, otherwise the State may sue the Tribe in the Thurston County Superior Court, or such other superior court where venue is proper, if not proper in Thurston County. Interpretation of the Agreement shall be according to applicable State law, except to the extent preempted by federal law. In the event suit is brought in federal court and the federal court determines that it lacks subject matter jurisdiction to resolve the dispute between the State and Tribal Party, then the State may bring suit in Thurston County Superior Court or such other superior court where venue is proper, if not proper in Thurston County.

Any judicial award, determination, order, decree or other relief, whether in law or equity or otherwise, resulting from such actions under subsection A above, shall be binding and enforceable on the parties. Any money judgment or award against a Tribe, tribal officers, or employees, or the State of Washington, its agencies, or its officers and employees may exceed the amount of funding awarded under this Agreement.

As requested by RCO, the Tribe shall provide to RCO its governing requirements and procedures for entering into Agreement with RCO and waiving its sovereign immunity. In addition, the tribe shall provide to RCO all authorizations the Tribe requires to authorize the person(s) signing the Agreement on the Tribe's behalf to bind the Tribe and waive the Tribe's sovereign immunity as provided herein.

The Tribe hereby waives its sovereign immunity for suit in federal and state court for the limited purposes of allowing the State to bring and prosecute to completion such

actions relating to the performance, breach, or enforcement of this Agreement as provided in subsection A above, and to bring actions to enforce any judgment arising from such actions. This waiver is not for the benefit of any third party and shall not be enforceable by any third party or by any assignee of the parties. In any enforcement action, the parties shall bear their own enforcement costs, including attorneys' fees.

For purposes of this provision, the State includes the funding board, the RCO, and any other state agencies as the term "agency" is broadly understood to include, but not be limited to, departments, commissions, boards, divisions, bureaus, committees, offices, councils, societies, etc.
